■ Chair **Eos-X**

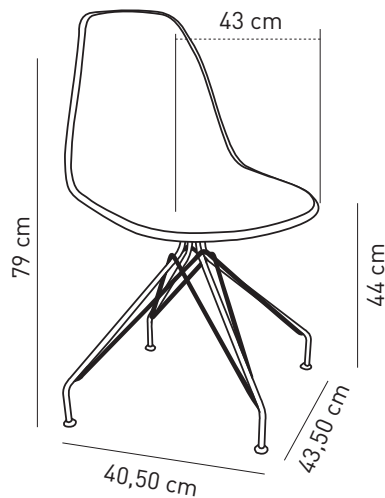

New

## Chair **Eos-X**

Chromed & Painted Leg

EOS-X features a distinctive contoured polypropylene shell with two coloured mono injection technology. The shape of the chair, which is reminiscent of the morphology of an egg thanks to the central rib construction and edge stitching, becomes both a structural and decorative theme of the product. The metal chromed and matt painted frame with good finish makes this version perfect for the office. Configure your EOS-X however you like. Can be matchable with LAMAX-X tables in different dimensions.
