OUTDOOR USE

Table Base Family **Moon**

Moon table base family has an elegant silhouette and minimal design. The shape of the round column, which transforms into three heights, such as table, bar and coffee table base, expresses continuity and attention to detail. The column in extruded aluminium splits open to form four cross feet in resin. Moon table base is also offered with a folding resin top so that it can be stored away with very little space. Suitable also for both indoor and outdoor.
